

APP DEVELOPMENT

Date: 13th April 2017

Venue: 20 block

Time: 4pm

Introduction

TECHNOVATION brings you a fascinating event with brain spanning opportunity to exhibit Android application development skills.

Team specification

Team participation with maximum 4 members.

General Rules

- The teams will be given a duration of 24 hours to create an android application.
- Caffeine requirements of the participants will be looked after by the organizing team.
- Internet will be provided to each team to sum up their work.
- Participating teams will be responsible for their belongings.
- The final Application should be the original work of the participants or will lead to copy right issues, and thus will result in direct disqualification of the team.
- The theme on which the app has to be made will be given to the teams at the start of the event itself.
- Use of drag-and-drop apps and premade templates are not allowed.
- The judging will be based on various parameters such as innovative ideas, device compatibility, UI design, user friendliness, simplicity, etc.
