Introduction

TECHNOVATION brings to you a brilliant opportunity to display your moment capturing talent during the whole event and win the prize.

General Rules

- The participants will have 3 days to capture photographs of the events, and submit it to the organizing team.
- Each participant can submit only three images, so choose wisely amongst all the photographs that you click.
- The file name for each image should be clearly labelled with the participant's name and where the image was taken (example: Rahul Verma, Block-48, LPU).
- Submitted images should not be more than 25 MB in size. They must be submitted online and the organiser may request for higher resolution images subsequently. The original images should be at least 3 MB in size as winning images will be printed and exhibited.
- Submitted images should be in JPEG format and at least 1600 pixels wide for a horizontal image or 1600 pixels tall for a vertical image.
- Digital manipulation that distorts the reality of the images will not be allowed. Only basic enhancements such as sharpening, contrast adjustment, or simple cropping will be allowed.
- The organiser reserves the right to reject images with incomplete details.

- Judging parameters include artistic/visual appeal of the image, the extent to which the photograph captures the essence of the theme, originality, creativity, etc.
